Re: Approval of Financial Recovery Plan

Dear Mr. Veno:

As you are aware, by letter dated May 30, 2013, you were informed that the Financial Recovery Plan developed for the Harrisburg School District could not be approved until certain clarifications were made to the Financial Recovery Plan related to the sale of all property, including land sales. I am writing in response to your May 30, 2013 letter through which those necessary clarifications were made.

I want to thank you for your prompt response to the request for information. On behalf of the Secretary of Education and in accordance with Section 652-A(d) of the School Code, I hereby approve the Financial Recovery Plan. Please update the relevant page(s) of the Financial Recovery Plan with the clarifying information and submit it to the Department by June 3, 2013.

Thank you for accepting the challenge of serving as the Chief Recovery Officer for the District. I wish you luck as you move forward with implementing the Financial Recovery Plan.

Sincerely,

A handwritten signature in cursive script that reads "Amy C. Morton".
